Don't just put a fax on your desktop — give your workgroups a fax that can do everything else they need.

Productivity
- Fax at 33.6 Kbps — as quick as 3 seconds per page.
- Print and copy at a fast 21 ppm.
- Transmit faxes quickly over the network and save on long distance charges with Internet fax.

Enhanced features for less
- Topnotch fax capabilities, including fax fowarding to email or FTP to seamlessly integrate hardcopy documents into a digital workflow for archiving purposes.
- Scanning features include color network scanning, scan to email and conversion of paper documents into digital files (with ScanSoft PaperPort and OmniPage software).
- Send and receive faxes simultaneously with the dual-line 2121L.

Compact and convenient
- Replace your older stand-alone fax with a more advanced device.
- Optional additional paper tray increases paper capacity to 750 sheets for higher volume faxing.
- Packs a range of high-end functions into a space-saving footprint.
- Operate the device easily with the alphanumeric keypad.
- Built-in protected memory lets you save fax and device settings even if the power is interrupted.
